

Four Seasons Daycare

Asthma/Respiratory Action Plan

The child below is being treated for a Respiratory Disorder. The following information will assist the center in caring for this child and outlines Four Seasons' protocol in the event of a respiratory incident based on the recommendations of the child's parents/guardians, and the child's physician. This information will be shared with Emergency Medical Personnel as needed.

Child's Name: _____ **Date of Birth:** _____

Diagnosed Respiratory Disorder: _____

Effective Date of Plan: _____

History of Respiratory Incidents:

Please list known triggers.

If the child displays any of the following symptoms, Four Seasons will administer the First Aid Procedures listed below.

Symptoms:

1. Shortness of breath.
2. Excessive coughing for more than 5 minutes.
3. Wheezing or whistling while breathing for more than 5 minutes.
4. Rapid breathing in conjunction with retraction.

Basic First Aid Procedures Four Seasons will follow:

1. Remain calm and comfort child.
2. Bring the child inside, if the child is outside.
3. Remove child from irritant, if applicable, and allow the child to rest.
4. Offer the child a cool drink of water.
5. Administer any rescue medications per long-term medication authorization.
6. Record pertinent information regarding respiratory incident.
7. Call parent.
8. Call 911 if respiratory symptoms persist or worsen.

Additional First Aid Protocol Treating Physician/Parents recommend Four Seasons follow:

Treatment Protocol

Medication Name	Dosage	Times to Administer	Special Instructions

Parent and physician must also complete a long-term medication form for each medication in treatment protocol.

Parent's Signature: _____ **Date:** _____

Physician's Signature: _____ **Date:** _____

This action plan will be in effect for one year or until the treatment protocol changes, whichever occurs first. It is the responsibility of the child's parents/guardians to notify Four Seasons of any changes to the child's treatment and to update this plan as needed.
