News Flash

Welcome to a new school year!! Although the summer was relaxing and filled with fun, we, here at Four Seasons are eager to get back into the more structured routine of the school year! The teachers and administrators have been diligently preparing for all the center's new and returning students, planning exciting lessons designed to peak each child's interest in learning! More specific information will be sent home in your child's "Welcome To My Class" packet the first week of school.

In addition to the packet, a "Back to School" breakfast is planned to help you become familiar with your child's new class and teachers on 9/25/15 from 7am-9am. Parents are encouraged to eat breakfast with their child on that day and visit their child's classroom. Other special days are planned throughout the school year. Check the "Upcoming Events" portion of this newsletter to stay on top of all the happenings at the center!

Keeping up with the latest happenings becomes especially important when winter weather is upon us! While it seems far off, I thought I'd take a moment to make you familiar with our closing policy. First of all, our center independently decides whether to open or close based on many factors, the greatest, of course, being the safety

of the children and our teachers. If the weather seems to be an issue, please check Four Seasons' voicemail, our website, your email or follow us on Twitter for up-to-date closure information. You can also tune into B101.5 or 95.9 for weather related announcements. Please make someone in the office aware if you are not receiving emails so that we can update our distribution list.

Thank you for continuing to allow us to love and care for your most valued treasure! We are all looking forward to another great school year and are glad that your child will be joining us! Check out the latest news from your child's class below...
